

PRESS RELEASE N°001/CAB/PM OF 16 JUNE 2020

A/s: To appoint the successful bidder for the Partnership Agreement for the project to finance, design, build, operate, equip and maintain the Management System for the Universal Health Coverage (UHC) in Cameroon.

The **Prime Minister, Head of Government**, Highest ranking Authority of Partnership Agreements, hereby announces:

“New Tech Management Cameroon (NTMC SA), having been admitted to the pre-qualification dialogue and having submitted a bid within the framework of the project to finance, design, build, operate, equip and maintain the management system for the Universal Health Coverage (UHC) in Cameroon, is declared successful bidder of the related Partnership Agreement.

Within ten (10) days of the publication of this press release, a formal notification letter indicating the practical arrangements for the negotiation of the terms of the partnership agreement will be issued to it by the Minister of Public Health”./-
