6. the closure, from 6 p.m. onwards, of all bars, restaurants and entertainment spots under the control of administrative authorities;
7. the regulation of consumer flows in markets and shopping centres, in accordance with the modalities defined by the Minister of Trade;
8. the restriction of urban and interurban travel, which shall be carried out only in case of extreme necessity, and according to the conditions defined by the Minister of Transport;
9. the ban on overloading of buses, taxis and motor bikes, under the control of forces of law and order;
10. the requisition, as necessary, of private health facilities, hotels and other lodging facilities, vehicles and specific equipment necessary for the implementation of the COVID-19 Pandemic Response Plan in Cameroon, at the request of the competent authorities;
11. the use of electronic means of communication and digital tools within public administrations for meetings likely to bring together more than ten (10) people;
12. the suspension of missions abroad for members of Government and public and para-public sector officials;
13. the wide dissemination by public and private media outlets, as well as social media, of the hygiene measures recommended by the World Health Organization.

The Government calls on the population to continue to observe these restrictive measures with the utmost rigour in order to avoid endangering their own lives and the lives of their relatives.
